

Christopher Romanillos

845-480-0947 | github.com/coromanillos | linkedin.com/in/cromanillos | cromanillos99@gmail.com

EDUCATION

St. Thomas Aquinas College
Bachelor of Computer Science

Sparkill, NY
Jan 2021 - Jan 2023

TECHNICAL SKILLS

- **Python | SQL | C++ | Postgres | Git/Github | CI/CD Cron | Markdown | Tableau**
- **ETL/ELT Pipelines | PowerShell/Unix | Linux | Typescript | Docker**

PROJECTS | *Python, SQL, PostgreSQL, Docker, Cron, Markdown*

- Designed an ETL Pipeline that extracts, transforms and loads raw data from a REST API
- Implemented logging and exception error handling for ETL project
- Practiced modular programming strategies for scripts

WORK EXPERIENCE

Data Analytics Intern
Ridgewood Savings Bank

Jan 2023 - May 2023

- Explored Typescript and Schema Design
- Collaborated in Schema design for a relational database system
- Created Tableau dashboards for production use

INTERESTS

- **Exploring optimization methods for pipeline scripts**
- **Scalable options via Cloud Services such as Amazon S3**
- **Working with real time data and finding meaningful observations using analytics tools**
- **Advanced orchestration tools and schedulers i.e Apache Airflow**
- **Risk mitigation for automated tasks**
- **Database design and structure**
